LETTER OF CONFIRMATION

Statement on heavy metal requirement compliance

Dear Valued Customer,

We are pleased to inform you that the following product, Titanvene LL0209AA, manufactured by PT. TITAN Petrokimia Nusantara, meets the relevant requirements of the following Directives or Regulations:

- CONEG (Coalition of the Northeast Governors)
- DECRET 2007-1467 (Article 4) and ENVIRONMENTAL CODE (book V-title IV-chapter III-section V)-dated on 10 November 2008
- Reach Regulation (Directive 76/769/EC)
- End of Life Vehicles Directive (Directive 2000/53/EC as amended)
- Packaging Waste Directive (Directive 94/62/EC as amended)
- ROHS and WEEE (Directive 2002/95/EC)
- China ROHS (SJ/T11369-2006)

Compound of cadmium, lead, mercury and hexavalent chromium, flame retardant PBB (polybromobiphenyls) and PBDE (polybromodiphenylethers) are neither used nor intentionally included in the production of this Titanvene grade.

Since conditions and methods of use of our products are beyond our control, the converter should verify that the final articles comply with the limits as set out by the applicable legislation.

Should you need more information, please contact us.

Yours faithfully,

N u g r a h a T a t a P
